Terms & Conditions

For prices not on our fee schedule please call the main office.

Applications are valid for one year from date received and any balance of monies is forfeited.

Open wall and trench inspections are mandatory before finish surfaces or final grade can be completed.

Applicants who wish to withdraw an application must do so in writing and if a service has already been performed the entire application fee will be forfeited.

All defects observed by New York Board will be noted and will remain on file until corrected; a re-inspection by New York Board is required to remove the defects on file.

Certain jurisdictions have permitting and or licensing laws in effect, please contact your building department for specific requirements.

Certain Conditions may modify the fee schedule.
